**Subject:** RE: West Lake: medical monitoring and 40-hr status updates for oversight work

Dan,

We are currently in that training this week so we will have updated records at the end of the week.

I'm on-site this morning and spoke with Paul Eastvold, H&S person for Feezor. He told me according to his records that the H&S and/or 40-hr certifications he had for Eric, Megan, Kevin and James expire in January. Please provide him current updates on these certifications prior to your next tour of duty, or bring them with you when you arrive. His e-mail is [peastvold@feezorengineering.com](mailto:peastvold@feezorengineering.com)

E-mail or call with any questions. Loaner cell phone number this week is 816-401-2871.

Principles and integrity are expensive, but they are among the very few things worth having.
